Dear OM:

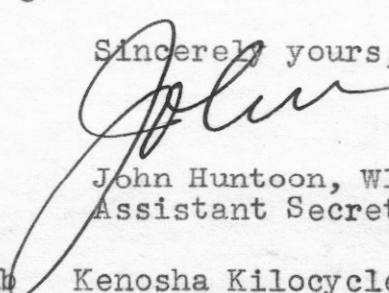

I knew we could count on you fellows for a bang-up meeting. Thanks much for the dope on your plans. Did you say a special meeting place? Don't tell me you plan to overflow the room in the library-museum!

Mr. Handy is having a meeting in LaCrosse on the previous evening, Tuesday, and expects to arrive in Milwaukee on the St. Paul train at 1.32 p.m. Wednesday. That probably is a bit early for your plans, so perhaps it would be just as well if he got settled first and then contacted you. Anything you say.

I am listing at the bottom of this letter the names and addresses of the secretaries of nearby affiliated clubs. I hope your invitation to them results in a carload or two of hams from each city.

My best to all the gang.

Sincerely yours,

John Huntoon, W1LVQ
Assistant Secretary
